

WHAT SHOULD I TALK ABOUT?

5 TIPS FOR CHOOSING A TOPIC FOR YOUR NEXT TALK

1 START SMALL

Give a talk that focuses the basics or getting started for beginners.

You don't have to be great to start, but you have to start to be great!
Zig Ziglar

2 SHARE SOLUTIONS

Share how you solved a problem and the journey along the way.

I'm energized by listening to people's stories and trying to figure out shared solutions.
Gloria Steinem

3 FACE FAILURES

Analyze a recent disaster at work and discuss lessons you learned.

The only real mistake is the one from which we learn nothing.
Henry Ford

4 GET PERSONAL

Share a story about personal growth and gaining perspective.

Performance more often comes down to a cultural challenge, rather than simply a technical one.
Lara Hogan

5 TOOLS & SERVICES

Demo your favorite service, or compare a set of competing tools.

All you need to paint is a few tools and a vision in your mind.
Bob Ross
